REPORT OF FOREST FIRE WARDEN

Your warden has issued about 600 permits this year and wishes to thank the people of the town for their cooperation in asking for their permits. It is wished you would cooperate

with your warden more this spring and summer than ever before on account of the awful fire hazard owing to the September wind storm.

Support your local Forest Fire Wardens and Deputies. They are planning, with State and Federal agencies, an intensive campaign to control fires. Help them by strict observance of the fire laws. Kindle no open fires without a permit from the Warden except when the ground is covered with snow. Cooperate by reporting fires you may see and in other ways. Fire fighting tool supplies are inadequate and should be reasonably increased by many towns. **YOU CAN HELP, AND IT WILL PAY, TO PREVENT FOREST FIRES!**

WM. F. WHITCOMB,
Warden.

REPORT OF FROST FREE LIBRARY

The annual meeting of the trustees of the Frost Free Library was held October 8, 1938. The Vice President, Mrs. Mabelle Page, presided and appointed Miss Ruth Hemenway secretary pro tem. Prayer was offered by Rev. Barron F. McIntyre.

The report of the treasurer, Fred D. Hemenway, showed expenditures for the year were \$484.11 and receipts \$662.06 leaving a balance of \$177.95 on October 8, 1938. A special fund to the amount of \$68.00 has been received for beautifying the lawn and of this the sum of \$17.75 has been expended, leaving a balance of \$50.25.

Mrs. Elfreda Cheeseman, librarian, reported that the library has been open 114 times during the year and there has been a total circulation of 9,300 books and 8,621 magazines. Due to the generosity of the Frost heirs, 45 different magazines were available and 127 new books added.

Rev. Fr. Buckley reported as to improvements made on the lawn. Two hydrangeas, two flowering quince shrubs, and fifteen English Ivy plants have been set out. Fr. Buckley offered suggestions as to future improvements and his report was accepted with appreciation of his efforts.

The following officers were elected for the ensuing year:

President, Rufus S. Frost.
Vice President, Mabelle Page.
Secretary, Rev. Barron F. McIntyre.
Treasurer, Fred D. Hemenway.
Librarian, Elfreda K. Cheeseman.
Auditor, Rev. Barron F. McIntyre.

It was voted that the same Executive Committee as last year serve the ensuing year, Rev. Mr. McIntyre taking the place of Rev. H. J. Foote who left Marlboro in May, 1938. This committee now consists of: Mrs. Mabelle Page, Miss Ruth Hemenway, Mr. Walter Buckminster, Mr. Ernest F. Flint, Rev. C. P. Buckley, Rev. B. F. McIntyre.

It was also voted that Mrs. Mabelle Page and Miss Ruth Hemenway serve as book committee for the ensuing year and that they expend not over \$200.00; that Fr. Buckley continue his work as ground supervisor; and that Clarence Ward serve as fuel committee.

BARRON F. MCINTYRE,
Secretary.

LIBRARIAN'S REPORT

To the president and trustees of the Frost Free Library, the librarian submits the following report for the year ending Oct. 8, 1938.

The library has been open 114 times with a total circulation of 9,342 books, 5,959 of which were adult fiction, 2,524 juvenile fiction, 573 adult non-fiction, and 286 juvenile non-fiction.

The total circulation of magazines was 8,621.

Four new magazines have been added to the library subscription list. The "Fast Digest," a unique and interesting magazine which has proved immensely popular, "Scribner's Magazine" and "Current History," both containing articles of timely interest have also become valued members of our magazine collection. "Liberty," the popular weekly magazine makes the fourth of our new magazines and brings the total of the library's subscriptions to 45. This does not include the 11 other magazines that are donated each month by our ever faithful members, Mrs. Gertrude Bryant, Miss Elizabeth Bryant, Mr. Harry Bemis, Mr. Ernest Blombach, Mrs. Florence Gibson, Miss Ruth Hemenway, Mrs. Grace Thatcher and the W. C. T. U.

In addition to these 56 different magazines, we have had several copies given to us by Mrs. Fred D. Hemenway, Mrs. Victor Rideout, Mr. Allen Wilcox, Mrs. Rosie M. Zulauf and Gordon Mullally.

As I have mentioned in a previous report, it seems that there must be a magazine of particular interest to every one, whatever his tastes or hobby may be. I feel that each year at this time we should renew our thanks to the Frost heirs whose generosity makes such a complete magazine collection possible. We are also ever grateful to our most thoughtful members who donate magazines each month, year after year, and to those who give us odd copies now and then.

For the past several years we have been having 2 copies each of the "American," "Good Housekeeping," "Cosmopolitan," and the "Reader's Digest." I know all the library patrons have appreciated this extra benefit.

One hundred and twenty-six new books have been added to the library during the past year. Ninety-six were purchased from the library fund, 8 were donated by Mrs. George Blodgett, 1 by Ralph Bissell, 8 by Miss Barbara Harrison, 1 by Miss Ruth Hemenway, 1 by Mrs. Kate M. Reid, 10 by Miss Muriel Rollins. The Young People's Society of the Federated Church presented the library with a copy of Van Wyck Brook's "The Flowering of New England." Our sincere thanks to them and all the others who have given books or magazines to the library.

Three library meetings has been attended by trustees, friends and librarian during the past year. The first was the annual Fall meeting of District No. 11 which was held Oct. 28, 1937, at the East Swanzey Community House. It was an all-day meeting. The morning session included, Welcome, History of the Library and short talks on helpful topics. A delicious chicken pie dinner was served at noon. The principal speaker of the afternoon was Miss Geraldine Huggins, assistant librarian of the Keene Normal School, who gave a very interesting and

practical talk on Library Publicity. There were several book reviews by librarians in the district and reports of the A. L. A. meeting in New York and the N. H. L. A. meeting at New London. Local talent entertained with singing which we all enjoyed. Mrs. Goodell was in charge of the meeting which insured its success from the beginning. Mrs. Mabelle Page, Miss Ruth Hemenway, Mrs. Gertrude Bryant, Mrs. Marion Olson and I attended this first meeting and in spite of the rain enjoyed every minute.

On Jan. 21, 1938 the K. N. S. invited District No. 11 of the N. H. L. A. to its campus for our mid-winter meeting. Open house was held during the morning which left us free to explore and inspect the library with all its interesting rooms. An informal round table discussion was conducted by Miss Margaret Grant just before luncheon. The afternoon session was held in the Hale building where Miss Blake, of the K. N. S. faculty, spoke on current affairs. There was a question and discussion period and many exhibits. Miss Alice Stone, Normal School Librarian, was most hospitable and Mrs. Page, Miss Hemenway, Mrs. Olson and I felt it had been a day well spent.

On June 3, 1938, District No. 6 invited District No. 11 to a joint meeting in the Shedd-Porter Memorial Library in Alstead. There were 43 present. A round table, presided over by Mrs. Harry Goodell of Swanzey and a business meeting with the election of officers were morning events. After dinner we were invited to inspect the New Vilas High School. Mr. Fenton, headmaster, personally conducted us through the building. It is a grand high school and the people of Alstead must be very grateful for such a wonderful gift.

During the afternoon we heard a most interesting book review of Lin Yutong's "Importance of Living," which was given by Mr. Sibley, a trustee of the Newport Library. Among the other speakers were Mr. Fenton, Mr. Newell, trustee of the Alstead library and Mrs. Pierce of Enfield. Mr. John Chivers, librarian, entertained us in his own wonderful way.

Mrs. Page, Miss Hemenway, Mrs. Gertrude Bryant, Mrs. Helena Croteau and I attended this third and last meeting.

We all enjoyed every minute of the three district meetings and thank all who made the meetings such a grand success.

We are happy at this time to welcome our new minister, Rev. Barron McIntyre, who, by virtue of his office, becomes a trustee of the Frost Free Library.

The library escaped the fury of the hurricane with the loss of only one tree, which did no real damage. I am so thankful that our maples still stand guard around the library grounds.

Some shrubs have been set out on the library grounds and more will be later.

Thanks, once again, to every one who has remembered the library in any way.

REPORT OF HEALTH OFFICER

This last year there have been very few contagious diseases.

There was one case of scarlet fever and a few scattering cases of whooping cough. Had very few complaints in regard to sanitary conditions.

DR. L. G. HILDRETH,
Health Officer.

MARLBOROUGH COMMUNITY NURSING ASSOC.

Marlboro, N. H.,
February, 9, 1939.

The Marlboro Community Nursing Association submits the following report for the year ending Dec. 31, 1938.

Our association ends its year with all financial obligations paid. However, our balance is so much less than last year that we feel that we must ask our citizens to assist us this year to the amount of \$1,000.00 instead of \$800.00 as in the past two years.

Our membership drive was conducted as usual this past summer by Miss Irma Richardson. A good response was received, but we still wish that more individuals might show signs of their responsibility for and interest in this work.

We were sorry to lose Rev. H. J. Foote as our second vice-president this past year. He was an interested and helpful officer. Mrs. Helena Croteau, who for many years has been a loyal director, has been chosen to be our second vice-president, and Mrs. Nora Beauregard is our new director.

The officers of Nursing Associations all over our state are now organized into what is called the Lay Members Section of the Public Health Nursing Association, and hold quarterly meetings at the time and place of the Graduate Nurses' Association. Some of our officers have been able to attend these meetings this past year, and have found them to be both comforting and inspiring—comforting in that we find all Nursing Associations have similar problems to ours, and inspirational in that we all are striving to “carry on” and progress.

We are indeed thankful to Mrs. Parker and her staff and to Mr. Ring for their continued support in keeping track of

Miss Robbins that she may be quickly reached when needed, and to many other friends of the association who help in various ways. We thank you all.

We hope you will carefully study the reports of Miss Robbins and Mr. Page, remembering that this is YOUR nursing association and that perhaps some suggestion you have might be just what we need to improve our work.

Respectfully submitted,
RUTH E. HEMENWAY,
President.

PRE-SCHOOL WORK

On May 12th, the annual pre-school clinic was held at the Greenwood Memorial Vestry, under the direction of the State Board of Health and sponsored by the local Woman's club, Parent-Teachers' and Nursing Associations.

Drs. Walter Taylor and Phillip Daniels were examining physicians.

78 pre-school children were enrolled; of these seventy-five children were given complete physical examinations.

24 pre-school and 3 school children were given diphtheria toxoid for the prevention of diphtheria.

During the afternoon milk and graham crackers were served to the children. These being furnished by the Woman's club and Parent-Teachers' associations.

Transportation was furnished to all who wished it.

WELFARE

The welfare work continues to be an active branch.

Friends have given most generously of food and clothing to be distributed.

Through the cooperation of the selectmen and the New Hampshire Surplus Commodities a good deal of clothing has been obtained and distributed.

The Ladies Circle of the Federated Church have done a good deal of sewing.

The Red Cross, Parent-Teachers, Woman's club, Grange, American Legion and Auxiliary and friends have given generously towards medical and corrective work also the Forty and Eight club and the Lion's club of Keene have been very helpful.

In closing may I take this opportunity to express my appreciations to all who have helped in any way to promote the health program of the community.

(A report of the school work will be found among the school reports).

Respectfully submitted,

DELLA A. ROBBINS, R. N.

THE ACTIVITY PERIOD

Each regular school day includes a half hour period which follows the morning recess. This short period is called the activity period. It is during this time that many worthwhile extra-curricular activities are planned for the pupils. The three-fold objectives include: recreation, good citizenship, and character. Definite time is allowed for assemblies, drills in fundamentals, rehearsals, class meetings, and club meetings.

Certain activity periods are devoted to drills in fundamentals for all pupils. These subjects include spelling, arithmetic, English grammar, and place geography, and penmanship. There is also a class in remedial reading that meets twice a week during the activity period. This work supplements the regular instruction of the class room and is for the purpose of strengthening the command of the fundamental processes.

Two activity periods a week are used in club work. Included in the list of clubs are: sports, dancing, automobile driving, dramatics and commerce.

We have tried to do more by way of outdoor activities during this period when weather has permitted. Touch football, soccer, and field events have been introduced since it is our sincere belief that the health and well-being of the pupils concerned will be improved as well as other benefits received.

ATHLETICS

The current basketball season is in full swing and the boy's and girl's teams are again members of the six-school Monadnock League. The Marlboro girls under the direction of Coach Helen McEgan are in third place in the league standing and the boys under the direction of Headmaster Elliott W. Keach are in fourth place in the league standing. Both teams are giving a good account of themselves against all opponents.

In addition to the regular Senior High School schedule the Junior High School teams have played two games with Dublin Junior High School. The girls while losing both games showed

promise of developing into a fine team. The boys won one game by a decisive score and were beaten by one point in the other game. It is hoped that after the regular schedule is completed that several Junior High School games can be played.

ACTIVITIES FEBRUARY 1938 TO FEBRUARY 1939

ONE-ACT PLAY CONTEST

In 1938 under the capable direction of Miss Helen McEgan Marlboro High School won the Eighth Annual Contest in One-Act Play Production among schools enrolling less than 100 pupils. The contest was sponsored by the State Board of Education.

“Milady’s Hat” the play, was written by Priscilla Guyette, Francis Cushing and Alida Baker, members of the Sophomore class. The final production of the play given on May 6, 1938 in the auditorium of the Laconia High School. Members of the cast included Priscilla Beaudoin, Francis Cushing, Alida Baker and Russell Bissell.

SENIOR CLASS TRIP

During the Spring vacation in April, 1938, the Senior class, chaperoned by Headmaster Ralph H. Bissell and Mrs. Bissell, enjoyed the annual trip to Washington where many points of interest and educational value were visited.

JUNIOR PROMENADE

Marlboro Town Hall was the scene of a very successful Junior Promenade on May 27, 1938. Music for the occasion was furnished by the Luna Nova orchestra.

CLASS ACTIVITIES

On Tuesday, December 21, 1938, the Freshmen Class under the direction of class advisor Miss Francis Demers held a Christmas party at the Marlboro High School. The entertainment included a short play, dancing and an exchange of gifts. Music was furnished by Mrs. Elizabeth Arsenault, Clifford Richardson and Howard Richardson. Refreshments were served.

The Sophomore Class under the direction of class advisor, Miss Helen McEgan, greeted the incoming Freshmen Class with a reception at Marlboro High School early in September. A short initiation ceremony was followed by a reception and dancing. Refreshments were served.

The Junior Class under the direction of class advisor Mr. Charles B. Knight has sponsored two social events at the Marlboro High School. Dancing and refreshments were enjoyed on each occasion.

The Senior Class under the direction of Headmaster Elliott W. Keach has sponsored several whist parties and food sales. With the help of mothers and friends the Senior Class sponsored a very successful Bean Supper at the Community House on January 21, 1939.

On Wednesday evening, November 23, 1938, the Senior Class presented their annual play before a good sized audience at the Town Hall. "Peck's Bad Boy" was directed by Miss Helen McEgan.

On January 27, 1939, at the Marlboro Town Hall, a fine crowd enjoyed an entertainment and barn dance sponsored by the Senior Class under the direction of Headmaster Elliott W. Keach. The entertainment included several selections by the High School Orchestra under the direction of Mr. Arthur T. Coogan, several skits under the direction of Miss Francis Demers and Mrs. Alice Hildreth, and a short Minstrel Show under the direction of Mrs. Elizabeth Arsenault. Music for the dance was furnished by Trombley's orchestra.

JUNIOR HIGH SCHOOL

The Junior High School has had two enjoyable social events this year. Under the direction of Mrs. Elizabeth Arsenault and Mrs. Alice Hildreth, a very successful Hallowe'en party was held at Marlboro High School where games, stunts, dancing and refreshments were enjoyed. A Christmas party was held at the Marlboro High School on the afternoon before the Christmas vacation under the direction of Mrs. Elizabeth Arsenault and Mrs. Alice Hildreth, gifts were exchanged and refreshments were served.

(* 90 or better in all major subjects).

The Junior High School pupils have furnished entertainment for several High School assemblies in the form of short skits and plays.

A Valentine party is being planned for February 14, 1939.

Respectfully submitted,

ELLIOTT W. KEACH,

Headmaster.

MUSIC

Mr. Frederick T. Johnson,
Superintendent of Schools,
Marlboro, New Hampshire.

My Dear Mr. Johnson:

When we consider what there is to be said about music as a subject of educational value we discover at once that it offers just as great opportunity as any other subject does for the acquirement of information; and that beyond this it demands infinitely more than most subjects do for the expression of its meaning. Its perpetual demand for broader and deeper refinement in the art of self-expression which is, after all, but self-realization, gives it at once a supreme importance as a subject of training and attainment. As we go on in our practice of music it continues to demand more and more of us;—more in the refinement of methods of doing, more of depth and sincerity in expression. So it builds us bit by bit into a rarer individuality because it is continually drawing upon the depth of self for adequate interpretation.

Music as an educational activity has a far reaching influence. It demands fine discrimination in tone, in shading, and in quality. It demands an adequate memory often exercised on a complex and involved whole. It demands a degree of accuracy in performance that is comparable for exactness with nothing less than an involved mathematical operation; and beyond the operation it forever makes for artistic form. It demands self-control, self-government, to a degree that no other

art can approach. Every physical process, breathing, enunciation, tone control, tone gradation, are forever required to be brought under a degree of centralization in order that an immediate and perfect response may be realized.

To summarize the teaching of music—The children have by training and study (1) learned an art, (2) learned the process of voicing it, (3) produced an artistic result through intellectual mastery expressed by the body. For in this expression the physical body is the musical instrument and the indwelling spiritual self is the performer.

The vocal music in the High School is progressing in a satisfactory manner. Several students have been excused from music classes because of their inability to do the work in music. If a student is permitted to go through the lower grades without the proper training in music, it is impossible to make up for the lost training when he reaches High School. This condition is being remedied and the results in the High School will continue to improve. The students in music in High School are given class lessons in speech and tone development, music theory, and appreciation. These classes meet once each week during regular scheduled periods. Several students are showing exceptional ability in music and extra time is being given to them.

All students in the High School should be required to take at least one year of music training before graduation. This suggestion is made because of the speech training that is given in the vocal classes. It would be possible to carry out this recommendation if the School Board would pass a regulation regarding it. As it now stands students have been excused from music work after presenting excuses from their parents to the supervisor and principal. Certainly parents cannot understand the value of correct speech training or they would not issue excuses for their children. In order to correct this condition the suggestion of a regulation by the School Board is made. A

certain amount of credit should be given for the work after passing a proper examination.

The school orchestra has met once each week and progress is being made. The orchestra has a membership of twenty-four. Some of the students are doing excellent work with their instruments. The orchestra has performed at several functions in the community and has always given a good account of itself.

Supervision of music in the grades has been carried on through weekly visits to the several classes. Grade music work is improving. There is a great reduction in the number of monotonies in the lower grades due to the special training and attention given by the teachers.

A recommendation is made that the town appropriate a certain sum for a fund to purchase musical instruments for the school. Some of the larger instruments (string bass, tuba, trombone, etc.) should be provided by the town. If these were provided, worthy students could be selected for them and training provided.

Again I express my appreciation to the teachers, Principal Elliott W. Keach, Superintendent Frederick T. Johnson, and the School Board Members, for their continued interest and co-operation.

Respectfully submitted,
ARTHUR T. COOGAN,
Supervisor of Music.

REPORT OF SCHOOL NURSE

To the Superintendent of Schools:

The following report is submitted to Mr. Frederick T. Johnson, Superintendent of Schools.

Again this year the school work has been active and interesting; visits have been made to the school nearly every day.

The serving of milk and cod liver oil in the morning is being continued and again this year the serving of both is being carried on through the cooperation of the teachers and high school pupils. Thirty-six pupils are receiving free milk and cod liver oil, while all are invited to bring milk and a large number do. We all feel that this morning lunch is very beneficial.

The pupils have been weighed and measured at intervals throughout the year.

TUBERCULIN SKIN TEST CLINIC

Instead of the usual underweight clinic in the fall. A Tuberculin Skin Test Clinic was conducted at the Village School in April by Dr. Robert Kerr, chest specialist of Manchester, N. H. Dr. Kerr was assisted by Mildred Aiken, County Tuberculosis Nurse and Della A. Robbins, local nurse.

This being our first Tuberculin Skin Test Clinic in our schools. All pupils of the Junior and Senior High Schools (with the consent of their parents) were invited to have the test done.

123 received the Skin Test. 116 pupils, 7 adults. Of these 29 reacted. Those who reacted had chest X-rays taken at the Elliot Community hospital, in Keene, N. H. On May 13th, Dr. Kerr did stethoscope examinations on all who reacted to the test. No active disease was found.

PHYSICAL EXAMINATIONS

The annual physical examinations of all the pupils were done in October by Dr. L. G. Hildreth, assisted by Della A. Robins, R. N.

267 pupils examined.	
Defective vision,	36
Defective hearing,	3
Defective hearts,	2
Defective tonsils,	16
Corrections since the last examination:	
15 have had tonsils removed.	
5 have had glasses for the first time.	
7 have had glasses refitted.	

DENTAL CLINIC 1937-38

Doctors Erwin Adams and Gerald Fitzgerald of Keene, N. H., conducted a Dental Clinic at the Village School, beginning in October and finishing in April.

Number of pupils examined,	270
Number of pupils treated,	171
Number of pupils having complete care,	162
Number of pupils receiving free care,	42
Number of cleanings,	157
Number of Amalgam fillings,	456
Number of Cement fillings,	35
Number of Porcelain fillings,	84
Number of treatments,	8
Number of temporary extractions,	91
Number of permanent extractions,	14

The Dental Clinic for the year 1938-39 is well under way. Both Doctors Adams and Fitzgerald have commented that they are finding the conditions of the children's teeth considerably improved; perhaps because of better care on the part of the pupil and better diets as well as frequent dental work.

May I take this opportunity to thank all who have helped to carry on this project.

Respectfully submitted,
 DELLA A. ROBBINS, R. N.,
 School Nurse.

PROMOTIONS

The following numbers of promotions in respective grades were made in June:

Grades											
I	II	III	IV	V	VI	VII	VIII	IX	X	XI	XII
20	17	17	26	23	21	27	23	13	22	15	18

These promotions were made on the following points: Regularity of attendance, term rank, standard tests and regular examinations given by the teachers.

Metropolitan Achievement Tests were given; one at mid-year and one in June.

The Otis Standard Graduation examination for elementary schools was given to the eighth grade.

These tests are very helpful in the gradation and placement of our pupils. By their use much of the personal equation of the individual teacher is eliminated. They show up not only the strong features but also the weak in our educational system.

CHANGES IN TEACHING STAFF

Headmaster Ralph H. Bissell having resigned in June, Elliott W. Keach, a graduate of Springfield College, with several years' experience as Submaster of the Milford, N. H., High School, was elected Headmaster. Mr. Keach being able to carry on the manual training classes eliminated the manual teacher.

Miss Frances Demers, a graduate of Plymouth Normal, with experience in the Pittsfield, N. H., High School, was added

to our high school teaching staff. With the help of this additional teacher we have been able to enrich our courses of study and give more attention to fundamentals and school activities.

At time of writing the schools are well organized, their progress is normal, the instruction is efficient and effective, a hearty cooperation exists among the teachers, and between parents and schools. We wish to express our appreciation of work done by the P.-T. A. in bringing the schools and homes into closer relationship.

In conclusion, I wish to thank the members of the school board, the teachers and parents for their cooperation and support.

Respectfully submitted,

FREDERICK T. JOHNSON,

Superintendent of Schools.
